

# GLS: Vision, Mission & Strategic Focus

**Vision** A state-of-the-art global organization that transforms and scales our contracting practices to expand legal's reach and support VMware's growth

**Mission** Be the transactional engine for the legal department, providing best in class contracting support, while driving innovative and scalable process, infrastructure and tools strategies

**Strategic Focus**

## SUPPORT

Deliver dedicated, expert and efficient transactional support across all lines of business.

## TRANSFORM

Transform our contracting model through best practices, process improvements, automation and data analytics.

## DEVELOP

Build holistic contracting capabilities to increase impact and foster a GLS culture of excellence.

**GLS: *Transforming how we contract.***
